RE: A STATEMENT OF ENGLISH COMPETENCE FOR OMARI RASHID

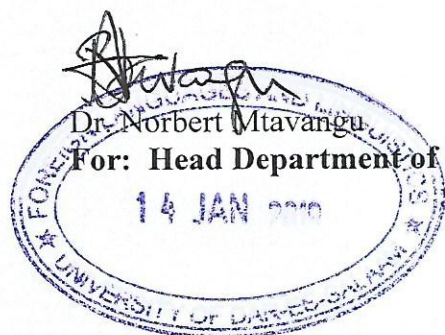

This is to certify that the named **Omari Rashid** born on 13th December 1982; a former Student of the University of Dar es Salaam (Master of Science in Natural Resource Assessment & Management) who completed in 2015 is competent enough to pursue any course in English as the medium of instruction.

The candidate studied under the Tanzanian education system in which English is the only medium of instruction at secondary school (six years) level and at tertiary level. He has for that matter, used it to study all subjects for more than 12 years (at secondary school as well as at university level), in addition to learning it as a compulsory subject in primary school.

Thus, without any doubt, we affirm that the said **Mr. Omari** masters fluently both written and spoken English language, and that he can pursue any course in that language.

Hoping that his application will be considered positively.

Yours faithfully,

For: Head Department of Foreign Languages and Linguistics
