TOTAL	7,466,032.72	100	5,692,812.79	100

Dr Saleh explained that the projects for 2019 in total were 55 projects whereby 35 projects are for Education Sector and the remaining 20 projects are involving Third Sector.

After some deliberation and discussion, the Board agreed and approved the 2019 Budget Plan, as per Appendix 1 attached.

4. TO DISCUSS & APPROVE POLICIES AND INTERNAL REGULATIONS

Dr Saleh presented the policies and internal regulations relating to good governance and internal control on the following policies in compliance with Malaysian Regulation and Laws for the Board's review, discussion and consideration:-

- (i) NAMA-HR-G-03 Job Classification Guidelines
- (ii) NAMA-HR-G-05 Increment & Promotion System Guideline
- (iii) Internal Regulation Policy (Employees Handbook)
- (iv) Code of Conduct & Workplace Ethics Policy
- (v) Financial Policy
- (vi) Extract of AMLA Act
- (vii) NAMA Board of Trustees Governance Policy

Dr. Saleh informed the Meeting that NAMA will seek legal advices on the policies i) of AMLA Act (that will be imposed in NAMA Foundation); ii) Internal Regulation Policy (Employees Handbook), to ensure that all the drafted Policies are comply with and not contradict with any related Law in Malaysia (i.e. Labor Law etc).

At this juncture Mr. Rosli raised his concern over the shortcomings of the last preceding Annual General Meeting ("2018 AGM") which he had to redesignate that the 2/2018 Board Meeting was being held immediately after the AGM with a short notice without the presence of Dato' Wan since CEO had raised issues beyond the agenda of an AGM. Consequently, both meetings were chaired by the CEO. It was noted that the CEO had notified the AGM of financial irregularities (in the presence of the Auditors) just after the Audited Financial Statements for the financial year 2017 were duly noted and received at the 2018 AGM. No prior notice was given and there was a total failure by the Management to alert the Board of Trustees' especially the Resident Trustees.

Mr Rosli stated that an AGM is a statutory meeting for specific agenda. Financial irregularity is a very serious matter especially for charitable foundations. To maintain independence between the BOT and Management, CEO should not be chairing it if he knew that he would be presenting the issue of the financial irregularities. Mr Rosli had to make the redesignation of 2/2018 Board Meeting in order not to invalidate the AGM. More importantly, financial irregularities that happened within the local jurisdiction must be immediately notified by the Management to the local trustees and to be discussed by the Board of Trustees as a whole. Sheikh Saleh took note of Mr. Rosli's concern and advised Dr Saleh should also report/update and coordinate closely with the local Trustees in order to scrutiny NAMA's operational activities and compliance issues and for transparency and good corporate governance purposes.

Sheikh Saleh proposed that NAMA should appoint an Auditor for the internal controls purposes besides the yearly financial audits by the external Auditors. Meanwhile, the Management was requested to re-look the scope of the external Auditors. Datuk Wan recommended the HFA to perform the internal audits /check and balances, e.g. to configure performance roles, authorization limits, process flows, and templates to use matrix management in performance documents for the time being and report to the local trustees directly while exploring on the engagement of another audit firm to carry out internal audits scopes.

After some deliberations and discussion, the Board approved in principle all 7 Policies.

5. TO DISCUSS AND APPROVE THE COMPREHENSIVE STRATEGIC PLAN 2019-2023

Dr Saleh presented to the Board for approval the Comprehensive Strategic Plan for years 2019 to 2023 which mainly on the Strategic Issues and Key Performance Indicators (KPI) for the next 5 years whereby 2 main sectors were identifies i.e. Education Program and Third Sector Program.

Dr Saleh explained that the Education Sector is to enhance the students in terms of knowledge, skills and attitude development. NAMA is targeting 70 schools amounting to 28,000 secondary school students from the focus countries i.e. 20 each from Indonesia and Tanzania while 15 each from Lebanon and Kyrgyzstan.

Dr. Saleh informed that NAMA will concentrate on the following 7 strategies to achieve its target by 70% in year 2023 from 3% in year 2019:-

- Enhance educator competencies
- Provide student and youth with knowledge, skills and competencies
- Improve governance of Education Institutions
- Provide financial assistance for students to study
- Help parents to provide educational support for children
- Improve learning facilities and support of education institutions
- Provide latest method & tools regarding evolution of formal education

Dr Saleh further informed that Third Sector Organisation (TSOs) is to enhance the sustainability of NGO to serve the needs of community. NAMA targets 35 NGO in the focus countries i.e. 10 NGOs each from Indonesia, Tanzania and Lebanon while 5 NGOs from Kyrgyzstan to improve and achieve the target of 70% in year 2023 from 6% in year 2019, which mainly concentrate on the scope below:-

- Improve organization management of TSOs
- Assist TOSs to become resourceful in sustaining operation
- TSO improve the sustainable development of communities
- Provides references for local TSOs

He added that the 4 Programs under the TSO for the next five years are:-

- Third Sector Financial Sustainability Program (TSFSP)
- Third Sector Organisational Development Program (TSODP)
- Sustainable Community Development Program (SCDP)
- Third Sector Research & Recognition Program (TSRRP)

Dr Saleh enlightened that NAMA plan is to achieve the above 2 sectors results in the next 5 years with a targeted financial value of totaling EURO12M raised from Loans, Partnerships and Revolving Funds of EURO4M each.

Dr Saleh explained that some of the allocated funds will be converted from full scholarships and full grants to zero interest loans, were given by NAMA and The Partnerships.

In the interim, Datuk Wan questioned regarding the yardsticks for improving the 2019 target from 3% to 70% in year 2023. Dr Saleh responded that NAMA has allocated for RM40,000 and outsourced the professional services to measure the improvements/performances of the Foundation at this initial stage and planned to develop a tool and mechanism to measure the target/percentage of achievement.

Sheikh Ahmed raised his concern on the philosophy and the components of loans and donations of the Foundation. Datuk Wan then requested for the Management to provide clarifications on the definition of loans/grants for a better understanding.

Sheikh Saleh indicated that it was intended to move the funding of the Foundation in the form of grants to loans gradually.

In response to the questions raised on the operational costs and plans after 5 years, Dr Saleh replied that the operational costs will be shared by 2 Partnerships.

After much deliberation and due consideration, the Board approved the Comprehensive Strategic Plan 2019-2023.

6. TO UPDATE ON RECRUITMENT PROGRESS

Dr Saleh updated the Board on the proposed Amendments to the Organisation Chart whereby 2 new position were proposed i.e. Admin & Procurement and Driver with the position of the Service Worker be removed. He added that the position of Admin & Procurement is to have a staff fully committed to check on the financial position of the Foundation to avoid any financial irregularities happen again.

In the interim, Datuk Wan reminded the Foundation is required to have good frame work in terms of internal control and segregation of works. Both Datuk Wan and En. Rosli stressed that the resources should be utilized diligently and efficiently to ensure that the objectives of the Foundation are being met at all times.

After much deliberation and consideration, the Board agreed with the proposed Organization Structure, as per Appendix 2 attached.

TERMINATION OF MEETING

There being no further business, the Meeting terminated at 3.30 p.m. with vote of thanks to the Chairman.

Confirmed as correct record,

CHAIRMAN

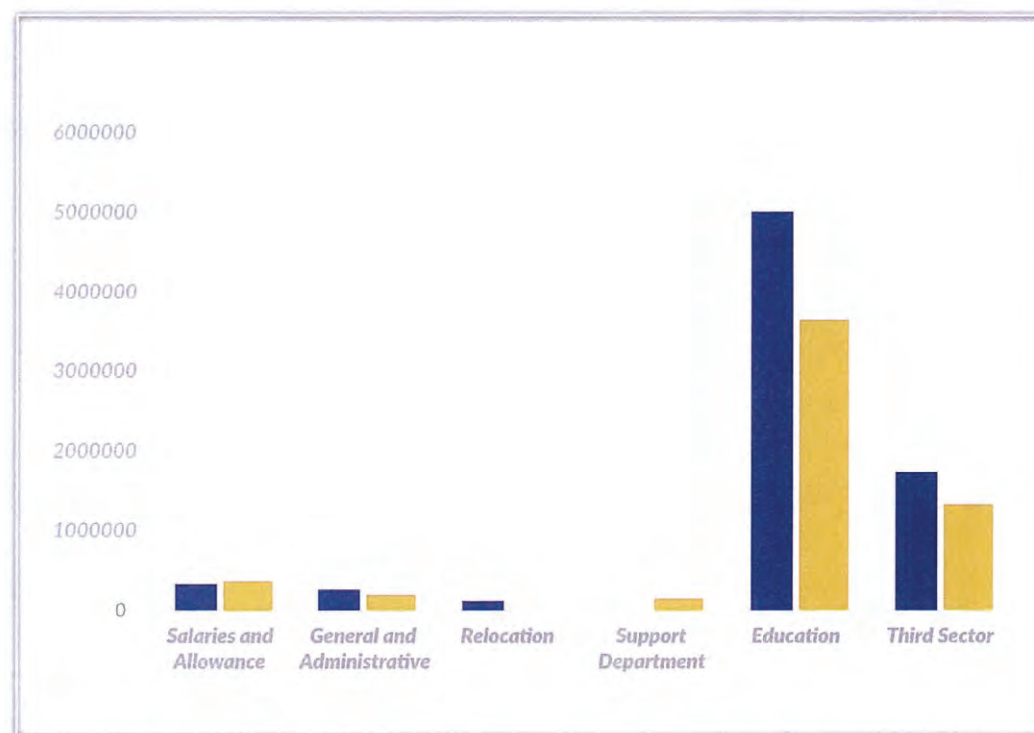

Sheikh Saleh S.A. bin Mahfouz
